WWW.VANSSANITATION.COM

Van's Sanitation will once again be offering yardwaste service from April 1, 2016 through November 30, 2016, with a seasonal rate of \$96. This includes a once-a-week pickup of grass, leaves, garden waste, and tiny twigs, in a Van's Sanitation Inc 90-gallon tote, on your regular trash/recycle pickup day. *This does not include large branches or twigs.*

Yardwaste Pick-Up Guidelines

- Yardwaste must be loose in a green Van's Sanitation Inc 90 gallon tote. Personal containers and bags/boxes will not be emptied. Additional 90 gallon totes may be rented for \$30 each, per season. Special exceptions will be made toward the end of the season when the leaves have begun to fall, with these guidelines to be announced at a later date.
- Should items other than what is listed above be placed in the container, the container will not be emptied until the following week - once the unacceptable contents have been removed.
- This service is not to be shared and will result in discontinued service, without a refund, should this be discovered.
- Trying to keep costs down, we have changed the routes and recommend that you have your tote out the night before.
- Yardwaste containers must have a current year sticker on the front of the Van's Sanitation Inc tote, in plain view for the driver to see.
- Yardwaste containers will be picked up weekly through November 2016.

Yardwaste stickers may be paid for and picked up on Saturday, April 2, 2016, from 10:00 am - 12:00 pm, at 1553 18th Street SW in Le Mars. They may also be picked up during regular office hours, Monday through Friday between 8:30am - 4:00pm.

If you are unable to come in, you may send your payment to our office **(with a self-addressed, stamped envelope)** and we will mail your yardwaste sticker to you. Please place the sticker on the front of the 90 gallon tote.

For your convenience, we accept Mastercard and Visa
