Van's Sanitation will once again be offering yardwaste service from April 1, 2019 through November 30, 2019, with a seasonal rate of \$105 for one yardwaste tote. This includes a once-a-week pickup of grass, leaves, garden waste, and tiny twigs, in a Van's Sanitation Inc 90-gallon tote, on your regular trash/recycle pickup day. *This does not include large branches or sticks.*

Yardwaste Pick-Up Guidelines

- Yardwaste must be loose in a Van's Sanitation Inc 90 gallon tote. Personal containers and bags/boxes will not be emptied. *Additional Van's Sanitation 90 gallon totes may be rented for \$35 each, per season.* Special exceptions will be made toward the end of the season when the leaves begin to fall. You may put extra containers of leaves out to be emptied with the tote (no bags).
- This is a weekly service with a base rate of \$105 for the season – 8 months (for one tote). That is approximately \$13.13 a month for yardwaste removal.
- **REMINDER:** Only grass clippings, tiny twigs/sticks, leaves, and garden foliage can be placed in the yardwaste tote. NO TRASH, NO PLASTIC, NO PAPER, NO BAGS should be placed in these totes. **It is for yardwaste ONLY!** Should items other than yardwaste be placed in the container, the container will not be emptied until the following week – after the unacceptable items have been removed.
- This service is not to be shared and will result in discontinued service, without a refund, should this be discovered.
- Yardwaste containers must have a current year sticker on the front of the Van's Sanitation Inc tote, in plain view for the driver to see.
- Yardwaste containers will be picked up weekly through November 2019. Please have yardwaste tote out the night before for pick up.
