Van's Sanitation will once again be offering yardwaste service from April 1, 2014 through November 30, 2014, with a seasonal rate of \$93. This includes a once-a-week pickup on your garbage/recycle day of grass, leaves, garden waste and tiny twigs, in a green Van's Sanitation Inc 90 gallon tote. *This does not include large branches or twigs.*

Yardwaste Pick-Up Guidelines

- Yardwaste must be loose in a green Van's Sanitation Inc 90 gallon tote. Personal containers and bags/boxes will not be emptied. Additional 90 gallon totes may be rented for \$20 each, per season. Special exceptions will be made toward the end of the season when the leaves have begun to fall, with these guidelines to be announced at a later date.
- Should items other than what is listed above be placed in the container, the container will not be emptied until the following week - if the unacceptable contents have been removed.
- This service is not to be shared and will result in discontinued service, without a refund, should this be discovered.
- Trying to keep costs down, we have changed the routes and recommend that you have your tote out the night before.
- Yardwaste containers must have a current year sticker on the front of the Van's Sanitation Inc tote, in plain view for the driver to see.

Yardwaste stickers may be paid for and picked up on Saturday, March 22, 2014, from 10:00 am - 12:00 pm, at 1553 18th Street SW in Le Mars. They may also be picked up during regular office hours, Monday - Friday between 8:30 am - 4:00 pm. If you are unable to come in, you may send your payment with a self-addressed, stamped envelope so we can return the sticker to you. Please place the sticker on the front of the 90 gallon tote.

For your convenience, we now accept Mastercard and Visa.
