Van's Sanitation will once again offer yardwaste service from April 1, 2025 through November 30, 2025, with a seasonal rate of \$150 for one yardwaste tote. **Please pay by check (instructions below)**. This includes a once-a-week pickup of grass, leaves, garden waste, and tiny twigs, in a Van's Sanitation 90-gallon tote, **on FRIDAY each week**.

**This does not include large branches or sticks.**

### Yardwaste Pick-Up Guidelines

- Yardwaste must be loose in a Van's Sanitation 90 gallon tote. Personal containers and bags/boxes will not be emptied. *Additional Van's Sanitation totes may be rented for \$50 each, per season.* Special exceptions will be made toward the end of the season when the leaves begin to fall (no bags).
- This is a weekly service - **PICKED UP ON FRIDAY EACH WEEK** - with a base rate of \$150 for the season (approximately 32 weeks) for one tote. That averages to be \$4.69 weekly cost for yardwaste removal. No pro-rating/refunds.
- **REMINDER:** Only grass clippings, tiny twigs/sticks, leaves, and garden foliage can be placed in the yardwaste tote. NO TRASH, NO PLASTIC, NO PAPER, NO BAGS should be placed in these totes. It is for yardwaste ONLY! Should items other than yardwaste be placed in the container, the container will not be emptied until the following week – after the unacceptable items have been removed.
- This service is not to be shared and will result in discontinued service, without a refund, should this be discovered.
- Yardwaste containers must have a current year sticker on the front of the Van's Sanitation tote, in plain view for the driver to see. **Not on sides of totes - put on front of tote or lid of tote.**
- **Yardwaste containers will be picked up weekly- ON FRIDAYS - through November 30, 2025. Please have yardwaste tote out on the curb Thursday evenings to be picked up on FRIDAY**

**PLEASE send your payment to our office with a self-addressed, stamped envelope and we will mail your sticker back to you in your self-addressed & pre-stamped envelope. Once you receive the sticker, please place the sticker on the front of the 90 gallon yardwaste tote.**
