Dear Valued Customer,

Van's Sanitation consistently evaluates ways to control our operating costs, but there remain costs over which we have no control. To help us recover those costs, we are increasing our EISE [Environmental, Insurance, Security, Energy] Fee to 20% effective April 1, 2026 along with other pricing changes. The EISE fee replaces the fuel surcharge and is necessary to help cover increasing costs to ensure that Van's Sanitation can continue providing compliant, dependable, and sustainable services to every client.

Please call 712-548-4644 with any questions.
